landsbygdsutveckling: Europa investerar i landsbygdsområden

GOALS

Strengthen Tornedalen as an attractive destination for visitors seeking nature and cultural experiences.

- · More new entrepreneurs in the area.
- · More events that grow and hence associations that can hire staff.
- More cross-border cooperation and strategic partnerships.
- Increased cooperation between companies and associations.
- To develop a sector-wide strategy for long-term care and maintenance of the trails in the area.

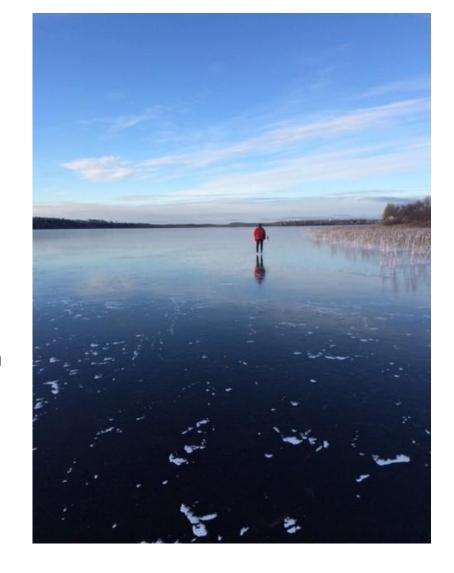

PARTICIPANTS

- Potential entrepreneurs and startups with a focus on tourism.
- Smaller companies in the visiting industry who wish to establish new partners and networks.
- Associations wishing to develop activities or events with connection to tourism.

ACTIVITIES

- Idea workshop x5
- Educational films about starting and running companies in tourism
- Communicate the area's business potential
- Individual coaching
- Strategy for development of trails
